VOLUME NUMBER 88 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, SEPTEMBER 18, 1947 | NUMBER 19

GAME WARDEN IS ASSIGNED TO MILAM

ROSS SEALE OF HEARNE TAKES UP DUTIES HERE

Milam county has a game warden thanks to Sheriff Carl C. Black.

Ross Seale of Hearne has been assigned to duty in this county. He will not have local residence but has been in the county for the past several days.

Sheriff Carl Black wrote the Texas Game, Fish & Oyster Commission, requesting assignment of a man here and so Mr. Seale will serve this area.

The assignment of a game warden to this county results from many complaints that have been made by citizens, principally about the abuses on Little River. Dynamiting, illegal nets and fish boxes and boat thefts have all been reported. So far no arrests have been bade.

It was expected that these violations would now cease. Authorities ask co-operation rather than arrests. The people will be glad to know that something has been done to stop violations of the game laws.

OSCAR PATILLO DIED HERE EARLY MONDAY

Oscar Patillo, 51, native citizen of Milam county, died at 12:15 a. m. Monday, September 15 in Newton Memorial Hospital.

Mr. Patillo had been a patient in the hospital at various times during the past few months. He was suffering from a heart ailment.

Mr. Patillo was born near Sharpe on November 9, 1895 and grew up in that community. He had been a resident of Cameron for a number of years and was well known in business circles here.

Funeral services were to be held at 3 p. m. Tuesday, September 16 from the family residence at 3502 North Davis Avenue. Rev. Frank M. Newton, pastor of the Buckholts Baptist Church, will conduct the services with the Marek-Burns Funeral Home directing arrangements. Interment will be made in Oak Hill Cemetery.

The body will be at the family residence Monday night and until burial time on Tuesday.

Surviving are his widow, Mrs. Oscar Patillo, two daughters, Bonelle Patillo and Edith Patillo of Cameron; two brothers, Leonard Patillo of Lufkin and Henry Patillo of Cameron. Two sisters, Mrs. Henry Garlichs of Buckholts and Mrs. Conrad Collier of San Antonio survive as well as two grand children.

EIGHT CENTRAL TEXAS SCHOOLS GET $21,365

AUSTIN, Sept. 11—Eight Central Texas school systems today had been allocated tentatively a total of $21,365 by the state department of education for the special education of handicapped children.

Waco received the largest allocation, $3,736, and Rockdale the second largest, $3,685. Temple schools were allotted $2,216 and Belton schools $3,300. Evant, Coryell county, will receive $2,548, Lampasas $3000, Meridian $2,500, and Thorndale $2,880.

All of the allotted amounts were somewhat smaller than the requested amounts, and Director H. E. Robinson of the special education program says the allocations are not yet definite but may have to be revised.

The money is part of $350,000 appropriated by the legislature to help defray the cost of special education for children with visual defects, hearing defects, orthopedic handicaps, nervous disorders, lowered vitality or speech disorders.

Department of education surveys show that there are at least 2,221 handicapped children in ten Central Texas counties, but funds were requested only for the special education of nearly six hundred.

MAYOR MCCULLIN ISSUES GUARD PROCLAMATION

Mayor A. W. McCullin late Monday issued the following proclamation on National Guard Day in Cameron:

"President Harry S. Truman has proclaimed Tuesday, September 16, 1947 as National Guard Day, being the seventh anniversary of the entrance of the National Guard into the Federal service.

"Thus September 16 has a double significance to the people on Texas and to the people of Cameron. It marks the opening of the nation wide recruiting campaign for the National Guard and our city is fortunate to have had designated here a unit of the Texas National Guard, Battery C, 289th Field Artillery, commanded by Captian Rudolph Michalka.

"It is with pride commensurate with our heritage of glorious history that we recall on this occasion the services of the National Guard of Texas in all the wars and in the days of Peace following those wars. We are thinking to-day not only of the great record of service of the

HURRICANE SWIRLING IN

CAMERON TO GET BLOW OUT OF FLORIDA STORM

The tropical hurricane sweeping inland at Palm Beach, Florida was due to be felt severely in Louisiana and East Texas and the Cameron area might feel the effects of the storm.

Unprecedented winds of 160 miles per hour were reported at the center of the disturbance. The center of the storm was expected to be felt near Palm Beach which is in Southern Florida.

Already winds up to 90 miles per hour had hit the coast near Palm Beach but the storm was still at sea. Thousands of residents were evacuating the coastal region.

At 9 a. m. Wednesday the storm was about 100 miles off the coast and moving westward about 8 miles per hour. Its fury would break over the coast of Florida sometime late Wednesday and might not be felt here until some time Thursday or Friday.

Cooler weather is predicted. If the storm is felt here the winds will be northerly to northeast. Some rain might fall.

Over the state generally Wednesday temperatures were high with Childress reporting 101. Continued heat was forecast.

ROCKDALE MAN SERVES ON NEIGHBOR BOARD

H. H. Coffield of Rockdale has been re-named by Governor Beauford Jester to the Texas Good Neighbor Commission.

Mr. Coffield was placed on the board when it was first created by Governor Coke Stevenson and when Governor Jester re-organized the commission he retained Mr. Coffield.

Other members of the commission reappointed are: R. E. Smith of Houston, chairman; and Lloyd Bentsen of McAllen. New members are: Bishop C. E. Byrne, Catholic Bishop of Galveston; Hugh Halff of San Antonio; Karl Hoblitzelle of Dallas; Dorrance D. Roderick of El Paso, publisher; Guy B. Warren of Corpus Christi; General Jonathan M. Wainwright, hero of the Bataan battle in the Philippines.

Mr. Coffield is a widely known independent oil man, capitalist and industrial leader. His service on the Good Neighbor Commission has been outstanding and his re-appointment by the Governor was regarded here as an excellent choice.

Mr. Coffield is a native of Rockdale, a veteran of World War one who began his industrial career in his home city and has continued to make his home there despite his large interests in all parts of the country.

Johnny Susik Poem Rates Los Angeles Poetry Magazine

Johnny Susik of Cameron has written a poem "Trouble On My Trail" and The Pageant of Poetry printed by Hillcrest Publishers in Los Angeles is to publish the verse in the current 1947 edition.

The Herald has received notice from the publishers that Susik's contribution has rated this consideration. Friends here congratulate the local author on his poem and the resulting appraisal of his work.

Santa Fe Train Is Delayed Due to Wreck

A freight train on the Santa Fe at Crawford with 16 of its cars off the track, caused delay of Passenger and mail train No. 5 which was due here shortly after 2 a. m. Wednesday.

W. DuBois, Santa Fe agent here, said that no one was injured and the cars were off the track because of some minor trouble or defects which had not been determined.

The train No. 5 was due in Cameron around 11:30 some 9 hours behind schedule as a result of the wreck. Crawford is on the main line to Fort Worth and north of McGregor.

YOEMEN FACING ODDS

LIPPMANN BUYS MOORE BUILDING

MILD NORTHER BREAKING THROUGH EAST TEXAS

It will be cool but not cold in this area to-night and Tuesday morning. After that it will be hot.

Temperatures were down to 46 in Amarillo Sunday and the cold front was having some difficulty getting through the mass of hot air being churned up by the Bahama hurricane Much warmer weather was due in the upper reaches of the panhandle by Tuesday.

Some rain was reported in sections of north east Texas but none was due to fall in this area.

The mild norther hit Cameron at 6 a. m. Monday and reduced temperatures somewhat after a hot day Sunday and a night of humid weather.

No rain is needed here but in other sections, notably north central and Southwest Texas are needing moisture.

NEGRO DIED HERE FROM SATURDAY STAB WOUNDS

Abraham Kearney, negro, who was fatally stabbed on Saturday night by Levi Green a fifteen year old negro, died Tuesday in the Newton Memorial Hospital.

Levi Green will be charged as a delinquent child, according to county attorney Bill Morrison, because his age will not permit trial for murder. Under the law murder is punishable by death or prison term.

Kearney, after the knife attack was taken to the hospital for surgery and developed pneumonia.

STORING COTTON MAJOR PROTECTION ON PRICE

Memphis, Tenn., Sept. 17 — The swift movement of the new crop cotton from the gins to the mills, while some 900,000 bales of carryover cotton remain in the warhouses of the South, accents the importance of avoiding country damage to cotton, officials of the National Cotton Compress and Cotton Warehouse Association pointed out here today.

Much of the old crop cotton is of low grade because of weather damage or because of the picking methods employed, it is pointed out, but thousands of bales have been made undesirable to the American mills because of damage which could have been avoided had the producer or the ginner taken greater care in the matter in which the cotton was stored.

Peanut Producers of County Get Notices On Program for 1948

Notices have been mailed by the Farm Administration office in Cameron to all known producers in the county telling them about the 1948 quota program.

Farmers who produced peanuts from 1944 through 1947 who have not received a notice should contact the office in Cameron.

Support prices on peanuts were in effect during the war and for two years after the war. This year ends the support price program unless producers approve the quotas for 1948 and an election will be held among peanut producers not later than December 15 and if two thirds approve the support price and marketing quotas will be imposed for 1948.

If the peanut acreage allotment is to be had in Milam county information must be on file at once and you are directed to file your information with the AAA in Cameron.

CALDWELL HORNETS TO CAMERON ON FRIDAY

The Yoemen came out of the game with Burbank in worse shape than before the kickoff. They were in none too good shape before that game and may have suffered through adverse circumstances which would add to physical injuries.

They face the only serious threat of the year here Friday night against Caldwell. Whether the Yoemen are ready would in fact make little difference for if Caldwell is ready it looks like the Yoemen may take one on the chin.

Caldwell is favored to win not so much because of the 26 to 7 victory over Rosebud Friday night but from the simple facts of the case. Caldwell had one of the best ball clubs in the state last year for Class A. Cameron played there and came away with a 7 to 0 victory and were lucky.

The 1947 Yoemen have a good line on defense but much can be added on offense.

The Caldwell team is a passing team. B. Freida, 180 pound back, is th etossing ace. He has two tall ends in J. Addison and E. Kovar. Caldwell runs from the T and the single wingback. The team has a great running attack and a greater passing attack.

On the face of thing is looked like Caldwell will win here Friday night but word comes that a band of Yoemen say different. It is going to be a ball game all the way.

Cameron's backfield in 1947 is not as good as it was in 1946 and to make the situation worse T. J. O'Neill may not play Friday night. He was injured in the Burbank game, twisted an ankle and it was not certain that Coach Jackson would take a chance on getting his ace scatter in worse shape. With O'Neill out of the back field the team is weaker.

Howard Beale, sensational star of the Burbank game, is playing his frist year. Given the ball and all the work to do in the back field would be a bit unfair to the 190 pounder but he seems willing and may mean the difference between defeat and victory.

Lawrence Michalka, quarterback and ball handler under the T is injured, has a bad arm. Jimmy O'Neill has a bad foot and George Hollas is a bit under par from a leg injury. The rest of the team seems in good shape. The Yoemen have been get-

(turn to page four)

$15,000 IS PAID FOR CORNER BUILDING HERE

Henry F. Lippman, owner of the Henry's Dress Shop and Department Store, has made another investment in business property in Cameron.

Deeds of transfer were filed Tuesday in Cameron on the Moore property at the corner of West Main and North Central Avenue and Mr. Lippman became the owner.

Mr. Lippman said that Citizens National Bank had financed the deal and that the property would yield a good return on the investment. Mr. Lippman owns two adjoining buildings on West Main where he operates his department Store.

The new purchase will give Mr. Lippman a continuous front of over 150 feet. The Moore building is now being rented to the Corner Cafe. It has figured prominently in the business life of the community and one of the oldest buildings facing the court house square.

Mr. Lippman recently purchased the building on North Central occupied for a time by the Bon Ton Bakery.

If Mr. Lippman desires he may in time create a smart merchandising sweep along West Main with a continuous front and such a plan would give the shopping district a much needed face lifting.

"I feel I have made a good investment and I am certain those who financed the deal in large part also regard this as a sound investment," concluded the popular merchandiser.

Mr. Lippman now owns four business buildings in the city, two of them two story.

Geophysical Crew Begins Exploration

A geophysical crew under the direction of E. L. Manning has taken up quarters in Cameron.

The Independent Exploration Company has headquarters in the Lippman building on North Central Avenue. Mr. Lippman recently purchased this building and it was fortunate for the city that these quarters were available.

The company expects to be in Cameron about 2 months, it was said here Monday.

Allen Con of San Gabriel was a business visitor in the county superintendent's office Friday.

NATIONAL GUARD WEEK

RECRUITING CAMPAIGN OPENS OVER NATION

To-day September 16 is National Guard Day in Cameron and likewise over the state and nation. Three Proclamations made the day fit into the routine in Cameron.

President Truman, Governor Jester and Mayor McCullin, have all caused proclamations to be issued for National Guard Day.

Captain Rudolph Michalka, commanding Battery C, 239th Battalion of Field Artillery here, was planning an exhibit of equipment soon to bring attention to the need for 16 men to meet the quota during the recruiting campaign which will end on November 16.

Efforts are being made to get an armory for Cameron but the cost may be prohibitive.

Under the new National Guardmen may enlist and be paid on a very liberal basis while they remain in civilian life. Men in the age groups eligible should get in touch with the local Battalion headquarters or see Captain Michalka.

A company of National Guardsmen is worth something like $50,000 to a community. Business men generally have seen this economic advantage as well as the benefits to the men.

Cameron was lagging somewhat in its recruiting responsibility. If the required number of men are not recruited, the Battalion does not function at the required strength its headquarters might be lost to the city in time.

During the current recruiting period the Cameron quota is only 16 men. Eventually the company here will have around 100 officers and men.

CAMERON GETS NEARLY MILLION WORTH CROP

The warves at the Cameron Compress Company are choked with new cotton and up to Wednesday night a total of 4784 bales of the crop had been received here.

If the Milam crop is 20 thousand bales it would see that Cameron has already received substantially a fourth of it and some million dollars of the fleecy staple.

Cotton with the seed is bringing nearly $200 per bale. While the compress is doing a good job shortage of labor is being felt now that the cotton crop is under movement here.

P. W. Davis, manager of the company, said he could not find enough labor at present. One of the competing elements is picking for the average picker can make from $7 to $8 per day in the field.

J. A. Bailey was a Cameron visitor this week.

GAME FORFEITED HERE

INELIGIBLE MAN PLAYED AGAINST BURBANK FRI.

The Yoemen lost their opening game of the season to Burbank because they played an ineligible man.

Buddy Shipp, left end, who took part in the game against Burbank here last Friday night was ineligible to play because he had taken part in a rodeo during the summer and won $20 at calf roping.

Shipp informed the school authorities after the game and after he had taken part.

Superintendent W. T. Hanes immediately took steps to comply with Interscholastic League rules in such cases by notifying the Burbank coach, forfeiting the game and by giving a letter for publication in the San Antonio newspapers. On Monday Mr. Hanes went to Austin to give the facts to the Interscholastic League authorities. Then he informed the district Committee of which Superintendent Peebles is chairman at Killeen.

Regulations provide that the min-

From where I sit ... by Joe Marsh

Yes, I'm Guilty!

Folks sometimes criticize us small-town editors for the way we often play up "little things" ahead of big . . . human, local news in place of world events.

I can't deny it. Read the *Clarion* and you'll learn about the Martins' golden wedding anniversary . . . about the community sing down by the river . . . the husking bee at Sober Hoskins', where neighbors helped husk the corn, and later drank sparkling beer together.

"Little things?" Maybe. But from where I sit, they add up to the bigger things we call America: The friendliness of small towns . . . the helping hand . . . the respect for one another's rights. And above all the love of fellowship and freedom—whether it's freedom to speak one's mind or choose between a glass of beer or buttermilk.

I figure that if everybody looks after the "little things," maybe the bigger things will take care of themselves.

Joe Marsh

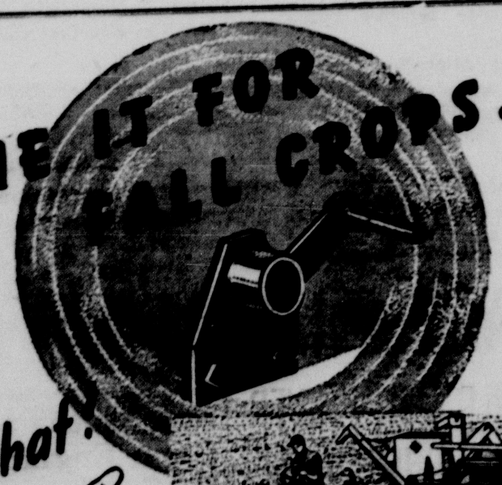
TUNE IT FOR ALL CROPS...



like that!

SNAP!

The secret of fall harvesting is to adjust the cylinder speed *instantly* for varying moisture conditions that change from hour to hour. The All-Crop Harvester's Quick Speed-Changer makes it as easy as tuning your radio.

Tough conditions require higher speeds to thresh the grain or seeds from heads or pods. Dry, brittle conditions require slower speeds to avoid damage to kernels.

The All-Crop Harvester's famous full-width, rubber-faced, spiral-bar cylinder processes the crop gently and thoroughly in a wide, thin stream . . . *at the proper speed to save it all.*

DOSSETT TELLS ABOUT BUISNESS IN BRAZIL

Brazil has a great future and always will have, ran a comment of an American, but despite this crack Walter Dossett of Waco says the country is ahead of the United States in some regards.

Mr. Dossett spoke to the Rotary Club on Wednesday to tell the members and their guests about how they do business in Brazil. In the beginning of his talk he gave a short sketch of the history of the country which he said was first settled by Portugese and that the prevalent major language is Portugese. However, this picture is changing.

The Indians were there first and their blood has had a share in shaping the racial characteristics of the people.

Brazil, said Mr. Dossett, at one time raised more than a million bales of cotton but in recent years the production has declined.

Brazil is far ahead of the United States in air travel. "They progressed from carts to airplanes," said Mr. Dossett. But roads are far behind America. The great need of Brazil to-day is better ground transportation, highways and railroads. Brazil is larger in area that the United States and very rich in resources. Rio de Janeiro says Mr. Dossett is the most beautiful city he has yet seen.

Brazilian business men receive manufactured goods and place the highest possible price on them. When they invest in business they expect to get their money back within a year or two. Whereas long term credits feature American business. There are 45 national holidays a year and people take advantage of them and business is shut down.

Census Shows Population Hits 143,000,000

WASHINGTON, Sept. 10—The nation's population passed the 143,000,000 mark in April, the census bureau reported.

It estimated the civilian population at 142,061,000, and said there were 1,350,000 in the armed services.

The report said that in the seven-year period ending April 7, 1947.

The rural-farm population (27,305,000 last April) shrank by 2,911,000 while the population in cities (83,860,000) increased 9,436,000 or 12.7 per cent. The rural non-farm population (30,896,000) grew at an even faster rate, 14.3 per cent or 3,867,000.

The non-white population (15,017,000) grew faster than the white population (127,044,000.)

The white rate of growth was 7.5 percent, compared with a non-white rate of 11.6.

Because of a high birth rate, the number of children under five years old increased by 36.2 percent.

Nevertheless, the medium age, or dividing line age, of the population rose from 29 to 30 years. Half the population is older than 30, half younger.

The west grew faster than any other section of the country, increasing by 3,427,000 or 24.7 percent. The south grew slowest, increasing by 1,107,000 or only 2.7 percent.

Humble To Broadcast Football Games For 13th Consecutive Year

For the thirteenth consecutive year broadcasts of the Southwest Conference Football Games will be brought to radio listeners by Humble Oil and Refining Company.

The 1947 season promises to be an exciting one, true to the traditions of the Southwest Conference. In addition to all the conference games, Humble will also broacast the important intersectional and intercollegiate matches. Not since before the war have the conference teams had a schedule which involved so much travel. Humble will carry broadcasts of games played from one end of the country to the other . . . from the SMU - Santa Clara game on the Pacific Coast to the Baylor-Miami U. game on the Atlantic.

Kern Tips, Ves Box, Charlie Jordan and Bill Michaels, all veterans of many Humble broadcasts, will be back at the mikes this fall. These top Texas sports announcers will give accurate and colorful play-by-play descriptions, as well as describe the interesting highlights that add so much to the enjoyment of every game.

Further announcement of the stations carry each game, times of the broadcasts and the announcers will be carried each week in the newspapers and posted weekly in all Humble stations.

Miss Maudine Toland of San Antonio, who is a student in Baylor University, Waco visited her grandparents, Mr. and Mrs. E. A. Oliver the past week end.

Burkes-Howard Co. To Demonstrate Cub Tractor Saturday

The Farmall Cub Tractor, especially designed for truck growers, melon, tomatoe and other similar crop producers, will be demonstrated on the Bill Whitaker farm on the Hanover road at 9:30 Saturday, September 13 it has just been announced by the Burkes-Howard Company, local distributors.

The Cub Tractor replaces the last team on the farm and is so designed. It seems to have answered all the questions relative to down to earth cultivation of truck crops. For years the problem was power on the farm and the big tractor came. Next was demand for smaller units for smaller operations and so the cub tractor.

The Burkes-Howard Company are constructing their new $25,000 building here to better sell and service Farmall Tractors and International Harvester Company implements.

Fleeced Negro of $520 T. R. Harper Arrested In Houston On Friday

T. R. Harper was arrested in Houston and returned to Cameron Friday by Sheriff Carl C. Black.

Harper was indicted by a grand jury in District Court here on July 10 for having obtained $520 from a Rockdale negro on the promise he would build the negro a home.

According to officers here Harper represented himself as an agent of a lumber company to David Boney, Rockdale Negro, and talked the colared teacher into advancing him $520 on the promise that he would build the negro a home.

Harper left Rockdale and is now facing trial for theft.

Nathaniel Ellsion of Cameron is a surgery patient in Newton Memorial Hospital and is resting well.

J. J. Faulkner of Rockdale was a business visitor in Cameron Monday.

Mrs. C. B. Porter of Calvert visited her mother, Mrs. B. F. Randolph Tuesday.

CHEST X-RAY PROGRAM ANNOUNCED FOR COUNTY

A mass chest x-ray program sponsored by the Milam County Medical Society and the Cameron-Milam County Health Unit is being announced by Dr. E. S. Freeman, Director of the Health Unit.

This is one of the most important steps ever taken for the control of tuberculosis in Milam County. Every resident 15 years of age or older is offered a free chest x-ray. Small films are used in modern equipment and this method makes it possible to screen out all suspicious cases. Also with this modern equipment the taking of an x-ray picture is only a matter of seconds. The findings of the x-ray pictures are confidential and the individual will receive a notice stating whether his lungs are all right or whether he should have a more complete examination.

Dr. Freeman states "that tuberculosis is primarily a disease of adults and since tuberculosis often has no outward symptoms in its early stages every unknown case presents a threat to the entire community. The only way to find these unknown cases is to x-ray apparently health people."

The x-ray unit will be in Milam County for four days. You may have your x-ray picture taken at the following places:

Cameron—First Baptist Church Educational Bldg. West Main at Crockett Tuesday, September 16 or Wednesday, Sept. 17 8:30 a. m. to 4:30 p. m.

Rockdale—White High School Gym Thursday, Sept. 18 8:30 a. m. to 4:30 p. m.

Thorndale—White High School Gym Friday, Sept. 19 9:00 a. m. to 4:00 p. m.

Assistance will be given by members of the Auxiliary of the Veterans of Foreign Wars who will register all persons who submit to chest x-ray.

Mrs. C. S. Collier Sr. and son Mr. and Mrs. C. C. Collier Jr. are visiting Mrs. Collier Sr. brother, Oscar Patillo who is a patient in the Newton Memorial Hospital. They are also visiting other relatives in Cameron.

Mrs. Johnnie Pearl Ritchie and children of Marlow visited her husband in Brownwood recently.

Hinton Pruett, superintendent of Milano school transacted business at the court house Friday.

S. Jacobs, son of Ernest Jacobs, is a surgery patient in the Newton Memorial Hospital where his tonsils were removed Monday morning. He is doing well.

Mr. and Mrs. J. B. White spent Sunday in the home of his parents, Mr. and Mrs. W. A. White of Nixon.

Insect Damage Seen For County Milo Crop; Treatment Suggested

Reports reaching the County Agent's office indicate that there is a possibility of severe damage to late grain sorghum by Milo worms. This insect usually appears when the sorghum heads are in bloom, and applications of poison should be made at that time.

The application of 25 to 30 pounds of 5 per cent DDT an acre, or 20 pounds of the 10 per cent DDT mixture, is recommended by J. W. Stufflebeme, Jr., County Agent, for control of this insect. DDT should be applied when the grain is in bloom, or as soon thereafter as possible. Under no circumstances should it be applied within two or three weeks of harvest time.

Football Programs Off Herald Press; Ready For The Game

The 1947 Football Programs were off the press Friday and ready for the Burbank-Cameron game.

The Cameron football program is the toast of Texas and Coach Leo Jackson enjoys the distinction of having the largest and best printed football program of any high school in Texas, regardless of class.

The 1947 program is a 36 page booklet, highly illustrated and widely patronized by Cameron busienss men. A total of 5000 copies have been issued. The sponsoring advertiser is the Dr. Pepper Company with Bert Nicholson, local distributor. The Dr. Pepper Company furnished the covers and the insert sheet containing the roster of the visiting team and the probable starting lineups.

Coach Jackson has authorized 1500 copies of the program for the Burbank game.

COTTON—
(continued from page one)

Some of the cotton has been damaged and discolored by contact with the ground, in cases where the bales have been dumped in the farm yard until moved to market. Other bales have been stored under cover, but have been damaged through contact with farm animals, particularly fowls.

There are thousands of bales of such cotton in the warehouses today awaiting either eventual consignment to the pickeries for reginning or eventual export as low-grade damaged cotton. This is a direct loss to the producer and the shipper.

One of the embarrassing and unprofitable features of the cotton is the matter in which apparently undamaged cotton shows its damage when it is opened in the breaking room at the mills. Such a bale not only slows the operation at the mills but involves a claim on the shipper and financial losses and often misunderstandings.

The cost of such damage comes back to the cotton producer, since the merchant and the shipper must figure on a certain percentage of such cotton in the supplies he buys to fill his orders, and such allowance lowers the price paid the farmer.

With the price of cotton at present levels, and with the costs of producing the cotton as high as they are, it is felt that no producer should neglect any feature which will aid in getting the highest price for his product, whether it is careful picking to get the best quality; modern ginning to improve that quality, or proper storage to insure the quality.

YOEMEN—
(continued from page one)

imum penalty is forfeiture of the game in which an ineligible man has taken part. The maximum penalty is suspension for the season in the District. However, the maximum penalty is nexer imposed when a school takes immediate steps to correct a situation as that which developed here Saturday.

Superintendent Hanes, knowing well the rules, took immediate steps to place the school in position to comply with all the regulations and to save the remainder of the season schedule and to avoid the maximum penalty. Where a school attempts to hide a violation of the rules resulting from the playing of an ineligible man the penalty is forfeiture of every game played that season.

The District Committee must now pass on the matter but it is pretty certain that since Mr. Hanes took steps to comply with procedure in such cases that the Yoemen can go ahead and win their district title if they are fortunate to defeat opponents.

Cameron defeated Burbank 14 to 6 but that game, hard fought and hard won is lost to them. It will be chalked up as a Burbank victory.

The Interscholastic League recently held that boys participating in a calf scramble at a Waco rodeo would not be eligible for football because Rodeo is professional. To many this ruling seemed severe but the League stood its ground and the matter is closed.

The League must be careful not to pollute school athletics with the taint of professionalism lest it lead to subsidizing of all athletics. Under such circumstances football teams could be bought and sold.

YOEMEN—
(continued from page one)

ting in some good work this week.

Buddy Shipp is lost to the team. He was ineligible and caused the forfeiture of the game to Burbank. Shipp won $16 in a calf roping this summer at a rodeo and that made him ineligible.

Cameron is not yet good enough on pass defense but this has been stressed this week. The Yoemen will have to be very good on pass defense to beat Caldwell.

What effect the forfeiture of the Burbank game may have on the team remains to be seen. It could be bad. On the other hand it could make the byos more determined. In the meantime the coaches are combing the ranks to see whether any of the rural boys roped off a calf for Paw during milking period this summer. It's down right dangerous.

McCULLIN—
(continued from page one)

Guard but of those from our home city who helped to write that matchless record. It is to them that I largely direct this proclamation, to remember them and to honor them.

"I cannot urge too strongly upon our people to co-operate in the recruiting of the local unit of the Guard. The advantages and benefits are the greatest of all time in the armed services of our country. In the local unit of the Guard a young man may enjoy its advantages without appreciable sacrifice and get good pay at the same time. The Guard unit will be worth much to our city and I therefore urge you to take advantage of this opportunity.

"I strongly urge that we not only remain conscious of this Day as marking the Anniversary of the National Guard as a part of the Federal military services, but that throughout the recruiting period September 16 to November 16 we keep constantly in mind our duties to support the Guard.

"Now, therefore, I, A. W. McCullin, Mayor of the City of Cameron, Texas, do declare Tuesday, September 16, 1947, National Guard Day in Cameron and urge all citizens of this city to honor by every appropriate means our great and historic organization the Texas National Guard.

"In testimony I have signed my name and caused the seal of the City to be affixed at Cameron, Texas, this 15th day of September 1947."

A. W. McCULLIN,
Mayor City of Cameron

BOY IS FOUND

Billy Gene Whittaker, 16 year old son of Mr. and Mrs. William Whittaker of Marlow, was found early Wednesday on Little River after he had been missing since late Tuesday. The boy disappeared carrying a shotgun. Officers made a search and when they failed to find the boy some alarm was felt.

Hazel Ray Choate, daughter of Mr. and Mrs. Frank Choate of Silsbee spent Monday night with her aunt Mrs. Fannie Barron. She will re-enter her second year at Baylor College this week.

Save The Children Movement Is Asking For Local Money

Money to support the local Save The Children program in Milam county is being asked of the people.

A contribution of $54 has been received from a Dallas woman and this must be matched. Additioanl funds are being sought.

Mrs. Carroll Green is Chairman of the movement in this county. She says the Federation is setting up a clothing center where needy children can buy at a very low cost. The Federation, according to Mrs. Green is preparing to set up a dental clinic in the ruarl, white and negro schools. Dental work will be charged for at a bare minimum of rgeular costs.

Immediate contributions are asked for. The Federation will meet on Tuesday, September 30 at 10 a. m. in the office of the County Superintendent. All checks should be made payable to the Federation and mailed direct to Chas. M. Hicks, County Superintendent.

This appeal is urgent because work outlined should begin at once.

Yarrellton News
MRS. LENA RUSSELL

Mrs. Nannie Wilkerson visited her brother, Will Lake who is ill last Monday.

Mr. and Mrs. Tucker Wilkerson of Houston spent the week end with his parents, Mr. and Mrs. W. A. Wilkerson.

Mr. and Mrs. Bill Hartley returned to their home in Detroit, Mich. Saturday after a visit in the home of her parents, Mr. and Mrs. Joe Ford.

Miss Marie Ford has returned to her work in Kansas after spending the week with home folks in Yarrellton.

Mr. and Mrs. Ben Hansey of Lake Charles visited Mr. and Mrs. Hubert Colburn in Cameron last week end and visited Mrs. Lena Henderson in Yarrellton.

Mr. and Mrs. Raymond Campbell Jr. of Dallas visited in the N. E. and Clarence Colburn homes last week.

Rev. South and family were Sunday visitors in the Hal Massey home.

Mr. and Mrs. C. E. Russell and children visited in the home of Mr. and Mrs. G. L. Gallatin in Austin Sunday.

Mrs. Jim Clements spent Tuesday with Mrs. Lula Wilkerson.

Mr. and Mrs. John Foster were Cameron visitors Saturday.

Ed Lake made a business trip to Waco last week.

Mrs. C. E. Russell visited friends at Newton Memorial Hospital Monday afternoon.

Miss Jeanne Oliver Is Now In Germany; On Secretarial Job

Mr. and Mrs. E. A. Oliver, Sr. have word from their grand daughter, Miss Jeanne Oliver who has arrived in Frankfurt Germany. Miss Oliver is employed as secretary to Colonel Percy Duggin, chief of Professional Services Division in the office of the chief surgeon.

Miss Oliver states that she had a pleasant trip over and is comfortable located in a five story building with in the Compound, where the Army has it's headquarters and is surrounded by a fence with M. P.'s at every gate. She says the only time she sees the Germans is when they eat, they have German waiters and waitresses with German musicians to furnish music. Miss Oliver says the German people are poorly dressed and they never smile.

Phone your news items to 282.

RUPTURE

SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Blazilmar Hotel, Taylor, Friday only, Sept. 26, from 9 A. M. to 4 P. M.

Mr. Chevnan says: The Zoetic Shield is a termendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.

6509 N. Artesian Ave., Chicago 45

Large incisional hernia or rupture following surgical operation especially solicited.

Think You Are Busy? See What Local Pastor Is Doing These Days

Managing two homes miles apart, Pastoring a church with a thriving full time program, serving as editor of a small weekly church paper, and pursuing a Theological course of study, as well as playing nurse maid to his young child while his wife attends school is enough to keep a man busy declares Rev. L. L. Morriss pastor of the local Baptist Church here.

Mr. Morriss states that he is doing just this since entereing Southwestern Baptist Theological Seminary in Ft. Worth this week. The local pastor spends four days of each week in Ft. Worth and three days in Cameron. To solve the shortage of "baby sitters" the minister announced that they have worked out a system whereby both Mrs. Morriss and himself can attend classes and never leave their young son unattended. Mrs. Morriss meets Mr. Morriss with the child on the campus as the minister comes from a class where he takes over while Mrs. Morriss attends a class then in turn he meets her and the exchange of the son is made again.

Rev. Morriss reports that he is enjoying his work immensely and that he is a firm believer in the old adage "An idle mind is the devils workshop."

Printing is a home industry.

National Recruiting Campaign Opens September 16

Drinking In Stands At Stadium Will Be Severely Dealt With

Drinking and drunks in the stands at Yoemen Stadium will be stopped at all costs it was said here Monday.

Disturbances in the south stands Friday night caused by a drunk has come to the attention of school authorities.

Superintendent W. T. Hanes said: "We are determined that this not happen again. If it does we will file charges and get witnesses who are willing to testify in court and if those so charged are not prosecuted we will release names and bring the utmost publicity and attention to bear on such cases. We know that the people of Cameron want their school property protected from such conduct and we will positively see to it, through the authorities, that drinking and drunks are properly dealt with. If we cannot protect our school children and the good people from such humiliating occurences we had better close up shop," the superintendent concluded.

Mr. Hanes pointed out that a number of schools were thrown out of conference competition last year because of drinking by hoodlums in the stands.

The occurence here Friday night was witnessed by a large number in the south stands where the visitors from San Antonio were seated. If officers were on duty they did not take a hand in stopping this ugly demonstration.

Local Methodists Launch Church Loyalty Program

Local Methodists are launching a Church Loyalty Program. The Church Loyalty Program is a part of the Nation-Wide Family Visitation Program. Members will be asked to sign pledges to attend services regularly for three months—October, November, and December.

Visitors will work September 18, 19 and 20. They will make reports on Sunday, September 28.

A new "high" in attendance is anticipated by the pastor.

YOEMEN FACE HARDEST GAME HERE FRIDAY

What may well be their hardest game of the season will be played here Friday night by the Yoemen against the Caldwell Hornets.

On last Friday night while Cameron was defeating Burbank 14 to 6 the Hornets in Caldwell defeated Rosebud 26 to 7.

The game here had to be forfeited to Burbank because Cameron played an ineligible man.

Last year Rosebud was the runner up in the conference and was believed to be very strong this year. Cameron defeated Caldwell there in 1946 7 to 0. Caldwell appears to have the best team in years and Cameran will play them here Friday night.

If the Yoemen get by the Hornets they should have no trouble in winning their district again. Pre-game speculation points to doubtful outcome Friday.

"The Long Night" Absorbing Love Story On Screen Thursday

Hakim-Livak's "The Long Night" opening Thursday at the Cameron Theatre, is an absorbing love story of a boy and a girl struggling desperately for happiness against the sinister influence of an older man. Co-stars Henry Fonda, Barbara Bel Geddes, Vincent Price and Ann Dvorak deliver memorable performances which combine to create strong emotional pull.

Henry Fonda as a young steel worker, enacts one of his few really romantic roles in a long career. After winning many of the important Broadway stage awards, Barbara Bel Geddes introduces a completely new personality to the screen in her portrayal of the heroine. Vincent Price has the strong role of a sinister though suave magician, and Ann Dvorak is striking as his glamorous assistant.

The conflicing romantic motives and frustrations of the four principals, and the sharp contrasts in their personalities, present a vivid picture of love, hate, fear and suspicion, with glimpses of happiness and a final note of promise for the lovers, after highly spectacular scenes of turbulence attending the hero's defiance of a siege.

Fonda, central figure of the story, is barracaded in his room with the massed police force splintering it with shots to bring him out. His vigil while awaiting possible death evokes memory scenes of events leading up to his precarious situation. His retrospection is interrupted at times by renewed bursts of police gunfire.

Henry Fonda achieves a brilliant characterization in the role of a man torn between love and doubt. Barbara Bel Geddes, as the heroine, makes her film debut a refreshing experience for all who have their first view of the young New York sensation on the screen. Vincent Price gives an extraordinary interpretation of the polished menace of the story. Ann Dvorak is perfectly cast as a shapely show girl, and impacts warmth and sympathy. Other players are David Clarke, Howard Freeman, Moroni Olsen, Queenie Smith, Patty King, Elisha Cook, Jr., Robert A. Davis, and Charles McGraw.

CAMERON 14; BURBANK 6

YOEMEN SURVIVE RUGGED BATTLE TO OPEN SEASON

Playing his first full game of football Howard Beale, 195 pound full back, had just about everything it took Friday night to send a ball club spiraling to victory. Of course he had some able help from the best Yoemen line in years but this tackle from the 1946 squad pressed into the slot made vacant by the loss of Paul Burke sent Leo Jackson's stock high on the local board.

Unexpected toughness on the part of a fine Burbank team under Clark Gorden made a ball game of it every inch of the way. The score was 14 to 6 for the Yoemen. It came near being 14 to 13 and could easily have been 21 to 13 in Cameron's favor. It was that kind of ball game.

Some 3000 fans roared their approval to the stars on this cool opening night to set the stage for a good season.

Matching the brilliance of Beale was a little guy named Carl Coleman from San Antonio who ran the Yoemen ragged to account for the lone touchdown for the visitors. Manuel Bargas, co-captain from Burbank was a line standout in this rugged game that seemed to prove a lot of things. With splendid blocking behind their wing back formation Burbank lived up to expectations and the Yoemen still with a few rough edges met their first grueling test on the road to a District 31A championship.

One of the highly colorful half time activities was the appearance of the Burbank band, a very attractive and well drilled band with a pep squad equally good. Cameron was happy over the expressed appreciation of the welcome and courtesies extended our visitors. Burbank not only has a fine ball club but a swell bunch of fans and good sportsfolk.

The game was characterized by some brilliant line play and a standout was Charles Duncan, 165 pound right guard and a 2 letter man.

First Quarter

Co-Captains Jimmy O'Neill and T. J. O'Neill met the Burbank Co-Captains, Manuel Bargas and Velton Smith in the center of the field for the toss. Cameron won and elected to receive, defending the east goal. Bonugli the Burbank left end kicked off to T. J. O'Neill who was spilled without a run back. On the first play of the game Cameron almost made a touchdown. Howard Beale, full back who was to lead the Yoemen to victory, shot a 40 yard pass to gangling Joe Hawkins the Cameron right end and Joe was away but a 155 pound back named Bobby Ankrom pulled him down on the 30. Cameron's ground game folded up as the Burbank line held but Billy Hauk, whose scintilating heels sparked backfield play for the Yoemen was able to pick up 4. Failing to make the first down the ball went over. Now it was the Cameron line demonstrating. Burbank was stopped cold after Captain Smith picked up 3. He then kicked out on the 50. The Yoemen began their march. Howard Beale, 200 pound fullback who runs like a deer, made a first down and the ball was on the 40. Billy Hauk in a scintillating sprint around the Burbank right end picked up 20 yards. Joe Hawkins took a pass from Michalka for 14 yards. Michalka then passed to Beale but Cameron drew a penalty but it was refused by Burbank. Beale got 5 and T. J. O'Neil picked up 2. The ball was on the 9 yard line in the shadow of the Burbank goal. Beale made a first down and Cameron drew 5 yards for offsides. Beale made 3 yards and Hauk lost a yard. Michalka stepped back and tossed a pass to Joe Hawkins who stepped over the goal for the score. Charles Riola added the extra and Cameron had 7 points. Cameron kicked off and Ankrom made a 15 yard return as the quarter ended.

Second Quarter

The ball was on the Burbank 32. George Hollas and Cameron left guard was hurt but would not leave the game. George who weighs only 152 was dynamite in the line. Smith tried to pass to Joe Hodges but it was knocked down and then Smith punted to the Cameron 39. Billy Hauk was at it again, this time 4 yards and T. J. O'Neill made it a first down. The speedy back was closely watched. Howard went in for Newman in the Burbank line. Michalka's pass to O'Neill was broken up by Ankrom. O'Neill carried for 6 yards with Manuel Bargas, co-captain of the Burbank team getting the tackle Bargas was a standout in the Burbank line at right guard despite his sparse 145 pounds. Michalka punted when Cameron failed on a first down and Buddy Shipp who had gone in at right end to replace Bob Holloway got Capt. Smith on the run back. Due to a penalty against Burbank the ball was called back and rekicked. On the first play Burbank fumbled and Cameron recovered. Beale, O'Neill and Hauk made it a first down. Michalka raced around the Burbank left end for 10 yards then failed with a pass to Bob Holloway. Cameron was penalized 15 yards for holding. The ball was on the Burbank 35. Michalka lost 15 yards on an attempted pass and run. He was pulled down by Bargas. The Yoemen needed 35 yards for a first down and Michalka kicked to Billy Howard the Burbank left half. Captain Smith was hurt and had to leave the game. A doctor was called. The game was getting very rough. In comes Carl Coleman who was to keep the Cameron fans in goose pimples and make a ball game of it. Coleman is a quarter back, weighs 138 pounds but what a man. Carl Fusselman got 2 yards, Coleman a yard, and then threw a pass to Feigel for 10 yards. Burbank lost 5 on a bad pass from center and Bonugli could not handle Coleman's long pass. It was 3rd down and Coleman on a faked punt raced 20 yards around the Cameron right end. He was brought down by Eugene Salack, Cameron right tackle. On the next play Billy Howard tossed a 30 yard pass to Coleman and the ball was on the Cameron 5. Coleman went around the Cameron right end for a touchdown. Extra try failed. The half ended after the kickoff and the ball was returned 10 yards by Beale.

Third Quarter

It was Burbank all the way and but for a penalty the score might have been different. Cameron kicked off but the ball was brought back. Coleman got it and was thrown out on the 20 by Beale. Fusselman got a yard and Howard got 9. Carl Coleman raced to the 40 and then passed to Feigel for 5 yards. Coleman passed to Bonugli for 15 and another first down. A long pass failed. Coleman tossed one to Howard who lateraled to Bonugli who was run out of bounds off the Cameron right end and was hurt and taken out of the game. Charles Latta went in at end. Coleman was stopped by George Hollas but got a first down. The ball was on the Cameron 35. Coleman lost 2 yards and Michalka intercepted a pass tossed by Howard. Beale and O'Neill made it a first down. Beale got 3 and Cameron was set back 15 yards for unnecessary roughing. The Burbank line rose up and stopped everything but the clock. The ball was on the Cameron 18. Michalka's kick was blocked and Billy Howard fell on the ball on the Cameron 11 yard line. On a cut back through the Cameron left tackle Coleman picked up 5 and the ball was on the Cameron 6. Burbank drew 15 yards for holding and the ball was on the 21. Coleman got back 6 of it and Michalka making his second interception of the evening took Billy Howard's pass on the Cameron 7. Beale had power to burn and got 6 yards. O'Neill made it a first down as the quarter ended.

Fourth Quarter

The ball was on the Cameron 18. Beale and O'Neill made a first down. On the next play Beale cut through the Burbank left tackle and fumbled as he was tackled. Riola recovered for an additional 4 yards and it was a first down. Beale in a swift break away raced through the Burbank left tackle for 20 yards. Coleman was hurt. The ball was on the Burbank 47. T. J. O'Neill who seemed doomed for the night took a hand off from Michalka, executed a reverse and raced down the sidelines around the Burbank left end to the 15 yard line. He was trapped on the isle by Billy Howard the Burbank left halfback. Beale was trapped and failed to gain. Michalka on a quarter back sneak got 6 yards but Cameron was penalized 5 yards. Billy Hauk picked up 6 and a first down. On the next play Howard Beale sliced through the center of the Burbank line and had a touchdown. Riola under difficulties kicked the point. The ball hit the left upright but bounced through to make it Cameron 14, Burbank 6. Burbank came back fighting mad. Coleman got a first down on the first play after Howard had run Riola's punt back 27 yards. Fusselman got 5 and then made a first down on the Cameron 17. He was tackled by Hollas. It looked like a Burbank touchdown as Fusselman made it a first down on the Cameron 17. Fusselman went to the 9 for a first down but Lawrence Workman in for the first time in the game lost 8 yards. Buddy Shipp broke up a long play. A pass was no good and then Howard again could not pass as Buddy Shipp was in there on him fast. Time out and it was 4th down. A line play failed and the ball went over. Hauk was smeared for a 3 yard loss behind the line and Beale smashed through for 12 yards. On the next play Beale picked up enough for a first down but Cameron was offside and set back 5. Hauk got 4 and Michalka kicked on the fourth down. Both teams were tired. Hawkins downed ball on the Burbank 40. Michalka got his 3rd interception of the game and the ball was on the Cameron 49. Cameron drew a penalty and on the last play of the game Beale made 4 yards around the Burbank left end. Final score Cameron 14, Burbank 6.

Mr. and Mrs. Joe Zajicek of Buckholts honored the South Elm softball team with a barbecue with refreshments at their home Saturday night. Most of the team was present.

OCCUPATION TROOPS TO BE OUT IN NINETY DAYS

Italy is now free and a member of the society of nations.

At 6 p. m. Monday the treaty by the big four powers, United States, England, Russia and France was to go into effect.

Occupation forces of the powers are to be withdrawn from Italy within 90 days. Russia signed the treaty. After the troops are with drawn it will be up to the Italian government to combat subversive activities. It was a mater of speculation whether Russia will act in good faith or whether her signature to the treaty was in fact a part of her plan to reduce the country to a state that will afford opportunity to subvert the government.

Simultaneously with the announcement of the treaty Communist Leaders brought on strikes, threats and turmoil.

Italy is stripped of all her colonial possessions in the treaty and in addition some 3000 square miles of her homelands. She must pay 350 million dollars in reparations for the crimes committed under Mussolini who was beaten to death by a mob and hung up by his heels after the collapse of his armies and dismissal as Premier.

It will be remembered that Italy stabbed France in the back in 1940 after the German armies had all but crushed French resistance.

A. A. Winkleman of Rosebud transacted business in Cameron last week. Mr. Winkleman is a cotton farmer and says the farmers in that part of the county needs cotton pickers.

Negro Gets Two Years On Swindling Charge

T. R. Harper, negro, was given two years in prison here Monday when he entered a plea of guilt to swindling by pretext a Rockdale negro.

Harper represented himself as an agent of a lumber company and took $520 from David Boney, Rockdale negro school teacher on the promise that he would build the Rockdale teacher a home. He gave a receipt and signed the name of a lumber company that does not exist.

County Attorney Bill Morrison who spent considerable time working on this case pointed out that the crime was commited when the negro swindling by false pretext by not only representing himself as an agent of the lumber company but in fact no such company existed.

Prosecution cannot always be had where people fail to deliver as promised. The right elements must be involved said the county attorney.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends for their many acts of kindness to us during the illness and death of our beloved mother, Mrs. Joe J. Michalka.

May God bless each of you.

Mr. and Mrs. Henry Michalka and family,
Mr. and Mrs. Robert Michalka and daughter,
Miss Pauline Michalka,
Miss Rosina Michalka.

Mr. and Mrs. George Poole spent Sunday in the home of Mrs. Poole's mother at Burlington.

COURT HOUSE LAWN TO GET STEEL BENHCES

Good news for weary visitors to Cameron is the announcement from Judge Dan Tyson that the Commissioners Court will provide steel seats on the court house lawn.

Judge Tyson said the seats will be placed just as soon as they can be purchased and that sufficient number will be bought to provide seating capacity for all who want to enjoy the shade and rest on the court house lawn.

These seats have been in demand for years and the people will appreciate this consideration from the court. It is not certain that the benches can be had shortly and sometimes may be required to get them.

Many people who have to sit in their cars can now enjoy the shade and cooling breezes on the lawn—when the seats are installed.

One In Hospital As Result of Cutting Here Saturday Night

Abraham Kearney, negro, is in Newton Memorial Hospital, in a critical condition as the result of stab wounds sustained Saturday night. Kearney had developed pneumonia.

Levi Green, 15 years old negro student, was arrested about 10 p. m. Saturday night by Sheriff Carl Black and was being held pending developments in the condition of Kearney.

The cutting occured in a negro section of the city.

Printing is a home industry.

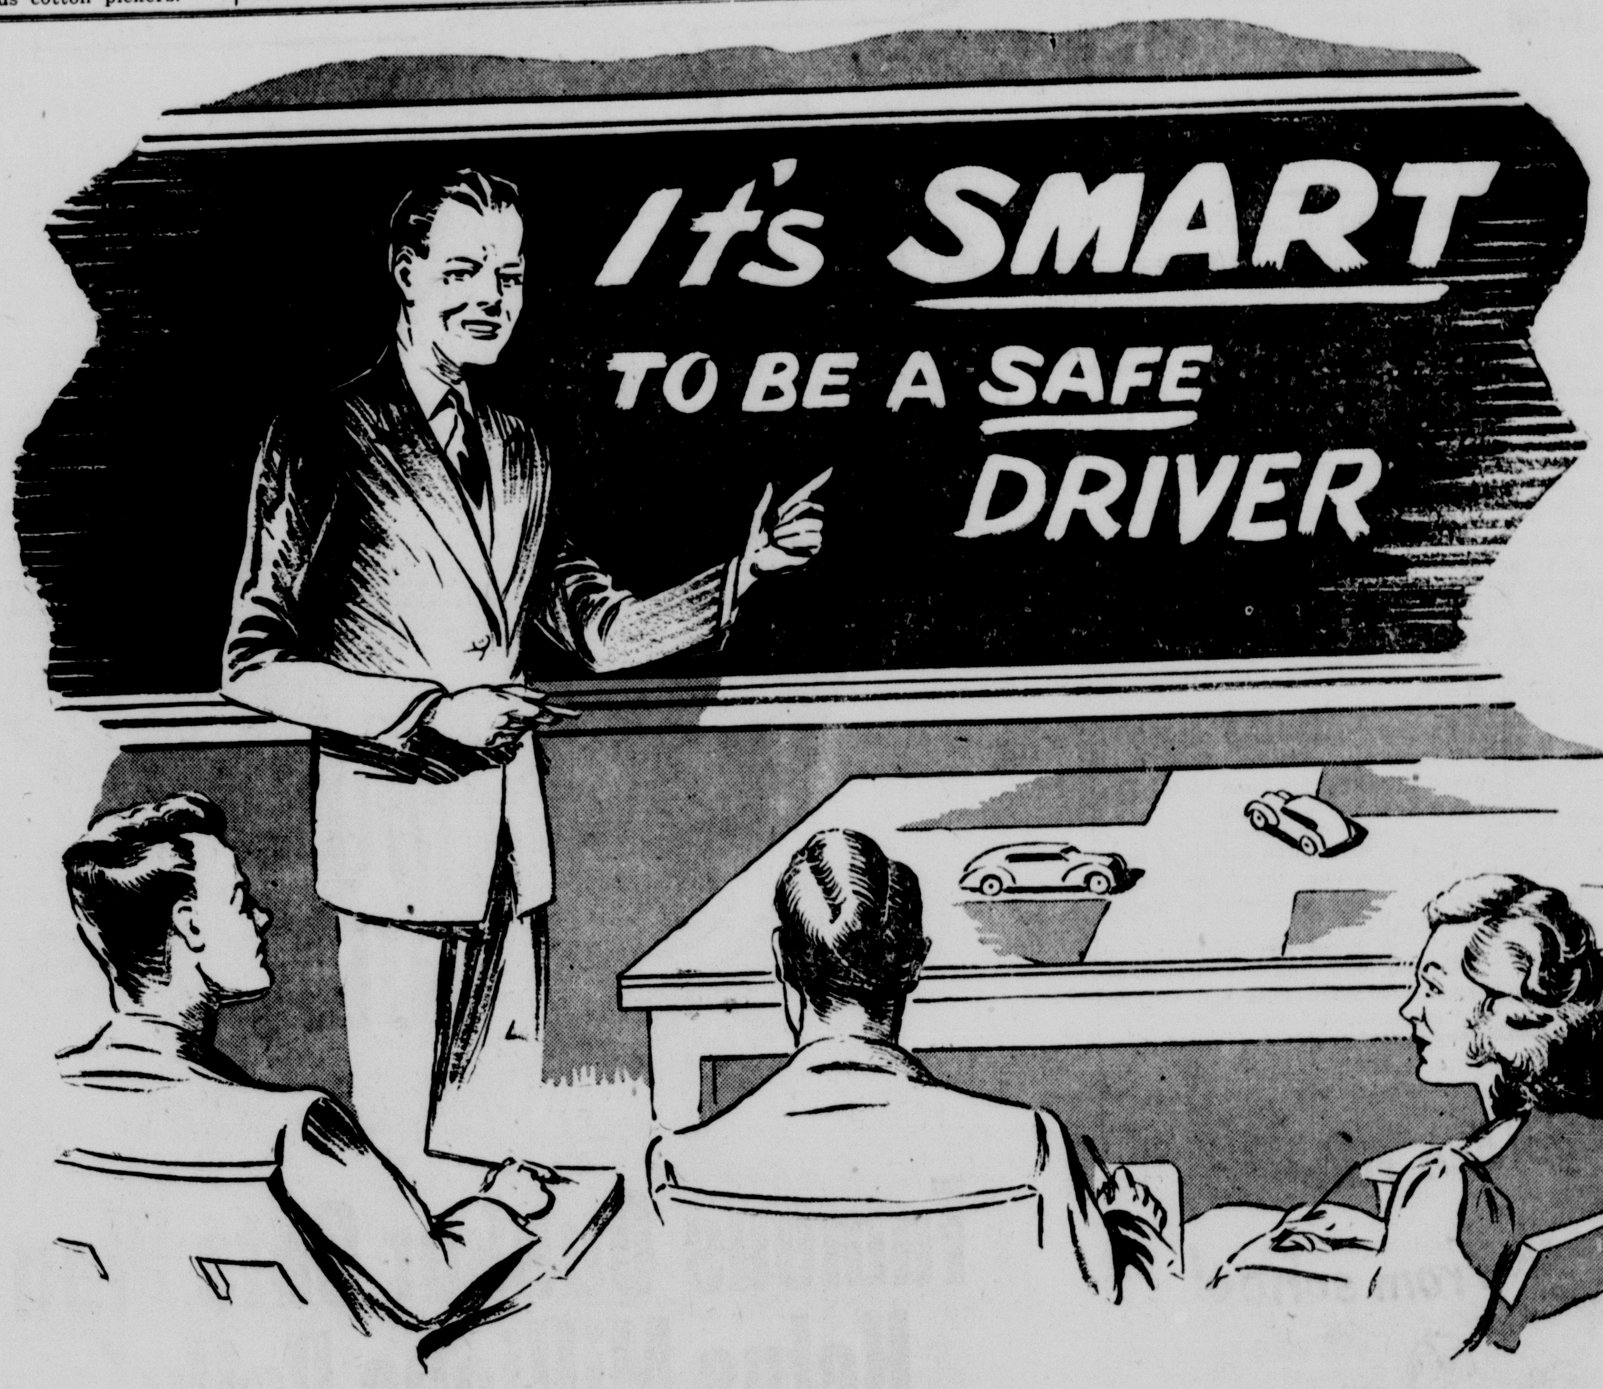
Office at
CAMERON and ROCKDALE



There you have it in black and white—the way to avoid many a fatal accident. And this is equally true—it's *not* "safe to be a *smart* driver!"

The young driver who slouches over the wheel and goes twisting and roaring through traffic for his own self-satisfaction and the adulation of others is as out of date as a 1910 flivver.

More and more, new drivers-to-be are enrolling in driver instruction courses, to learn how to be safe and intelligent drivers. They are taught how to operate and control a car. They become familiar with traffic rules and regulations — and the penalties for violating these established rules of the road. They learn that it is really *smart* to be considerate and courteous to others.

Many communities are making these courses available through their schools today. If your son or daughter is coming of driving age, see to it that they take a driver instruction course. If there is not one available in your town, ask the school or police authorities how you can obtain instruction material.

Make young drivers *safe drivers*—right from the start.

MRS. EMIL MACALIK

Helen Novotny and Emil Macalik Are Married In Ennis in Elaborate Catholic Ceremony

Miss Helen Novotny, daughter of Joe Novotny and the late Mrs. Novotny of Ennis, formerly of Cameron, and Emil Macalik of Ennis, son of Mrs. Frnaces Macalik were united in marriage on Wednesday morning, July 9.

Father Kowalski read the ceremony at Ennis Saint John Catholic church before an altar of white gladioli.

The bride, given in marriage by her father was gowned in a dress of white satin with an imported lace bertha. The sleeves were full gathered and fitted and fell into a graceful train. The finger tip length veil of imported illusion was caught at the crown with a cluster of stephanotis.

Her bouquet was of white carnations showered with ferns and satin ribbons atop a white prayer book and a blue rosary. A double strand of white pearls was her only jewelry.

For something old she carried the white prayer book that her mother carried to the altar 36 years ago. Something blue was the rosary belonging to her youngest brother Frank Novotny of Ennis, something borrowed were the white strand of pearls belonging to her sister, Mrs. R. M. Costolow of Dallas.

Miss Julie Macalik of Ennis, sister of the groom was maid of honor. Miss Evelyn Jurica of Ennis was bridesmaid and Tonie Zhand and Frances Matous of Ennis were junior bridesmaids. The four wore identical and full gathered net skirts with a single strand of white pearls and matching flowers in their hair. They carried hand bouquets of white carnations with ferns and white satin ribbons.

Ladis Novotny of Ennis brother of the bride served as best man. Frank Macalik, Frank Trojacek and Jerry Novotny of Ennis were ushers.

Immediately following the ceremony the wedding party and members of the families enjoyed the wedding dinner at the K. J. T. Hall were gladioli and greenery were used on the tables for centerpiece with the wedding cake. A dance followed in the evening.

Mrs. Macalik is a graduate of Ennis High School class of 1947.

Mr. Macalik is a veteran of world war II having served as Pfc. in the army in the Pacific Theatre as M. P. He is now with Adleta Show Case and Fixtures Mfg. Co in Dallas.

The couple will make their home at 4015 Penelope in Dallas.

Calvin Case Jr., of Thorndale made a business trip to the court house Monday.

Miss Bessie Dunham is visiting in San Antonio this week.

☆ Society in the News ☆

The home was beautifully decorated throughout with pink Althaias and lillies.

The president, Mrs. Jeff T. Kemp presided and six members answered the roll call. The subject for the meeting was "Texas fiftieth annual convention" which was held in Victoria in 1946. Taking part on the program were Mrs. Frank Lesovsky, Mrs. E. B. Langdon and Mrs. Grady Stidham.

Delicious refreshments of angel food cake and ice cream were served.

This was the first meeting since adjournment in May.

Carol Ann Heitman Enjoys Birthday Party September 7th

Carole Ann celebrated her seventh birthday Sunday afternoon, Sept. 7 in the city park. The party was given by her mother, Mrs. W. G. Heitman.

A birthday cake decorated in pink and green and lighted with seven candles was served with ice cream and soda water. Plate favors were dimes enclosed in decorated envelopes Games were played by the children after being served by the hostess, Mrs. Heitman.

Those attending the birthday party were Barbara Jane Gurecky, Helen Ray and Charles Matula, Carroll Green Jr., Carolyn Sue Knipp, Geraldine and Johnnie Sue Abel, Terry, Katheleen and K. Riley, Annetta Schelander, and Lorene and Irene Balcur.

Mr. and Mrs. Hause Are Dinner Hosts

Mr. and Mrs. John Hause entertained at their home on Saturday night with a bouffet dinner, honoring their daughter, Mrs. Bob Hudson from Chicago.

Guests for the dinner were: Mrs. Delahunty, grandmother of Mrs. Hudson, Mr. and Mrs. Pat Delahunty, Mr. and Mrs. Roy Hightower, Mr. and Mrs. Dave Leath, Mr. and Mrs. Bob Brown and daughter, Betty Ann from Waco, Mr. and Mrs. Aubrey Delahunty and daughters, Peggy and Kay and Misses Mary and Lois Randolph.

Iced watermelon was served for desert.

Mr. and Mrs. George Haddaway and three sons of Dallas visited their grand parents, Mr. and Mrs. Jim Laird over the week end.

Mr. and Mrs. Anton Sevcik of Bryan are spending their two weeks vacation with relatives at Marak and Buckholts.

Mr. and Mrs. Charlie J. Tomek of Camp Hood were week end visitors in Cameron.

Recent Bride Honored With Shower

Mrs. William E. Folschinsky has been honored with a miscellaneous bridal shower in the home of Miss June Judson in San Antonio.

Mrs. Folschinsky, the former Miss Wanda Price of San Antonio and daughter of Mr. and Mrs. Dwight Price of Cameron, was married to William Folschinsky, son of Mr. and Mrs. W. F. Folschnisky of San Antonio on August 1, 1947, in Seguin, Texas.

Their only attendants were Miss Faye Whitley and Dale Westerman both of San Antonio.

The couple will make their home in San Antonio where both are employed.

Eugene Jekel of A&M Annex spent the past week end with his parents, Mr. and Mrs. Ed Jekel and other relatives and friends.

Sgt. Olen Modesette of Houston spent the past week end visiting his parents, Mr. and Mrs. John Modessette and his aunt, Mrs. Jim Laird.

Miss Odessa Kennon Enrolls As Student San Marcos Academy

Miss Odessa Kennon, 13-year-old daughter of Mr. and Mrs. J. A. Kennon of Route 3, Cameron, this week was enrolled for the 1947-48 school year at San Marcos Academy, a private school for boys and girls from the first grade through high school.

During the year, she will be enrolled in small, restricted classes designed to provide individual training and supervision for all students.

A former student of the Cameron public schools, Miss Kennon first entered the Academy in September, 1946, and is now in the eighth grade.

1500 Steel Trays For Lunch Rooms In The County Schools

Chas Hicks, county superintendent of schools reported Thursday the arrival of 1500 stainless steel army food trays. These trays were donated by the government and was distributed by the State Lunch room committee. These trays will go to school lunchrooms in Milam county.

Mrs. Mary V. Posey is visiting her daughter, Mrs. Erle Adrain in Temple a few days this week.

John Thweatt, justice of peace of Maysfield was a Cameron visitor Friday.

FARM DAIRIES

"Our Town"

by J. B. WHITE

Cameron has been favored with the assignment of a National Guard unit of Artillery. Cameron has not met expectations in the matter of recruiting and now that the Guard is to begin a national recruiting campaign beginning September 16 it might be supremely important that business men, Veterans organizations and civic leaders lend a hand. The Cameron unit needs only 16 men to meet the first quota of the year. Texans in war after Pearl Harbor is the subject for a splendid editorial by the Austin Statesman-American and we have been granted the privilege to reproduce it:

In the story of the Texas National Guard, hidden behind the cold statistics, is the story of the thousands of Texans who immediately left their homes and were among the first in combat after Pearl Harbor. In the figures of the Guard's postwar reorganization lies the story of the men who struggle against postwar apathy and plan and strive toward an efficient defense organization.

The Texas troops, in prewar days, comprised 11,840 officers and enlisted men. These composed the 36th Cavalry Brigade, the 111th Observation Squadron and Company "C", 193rd Tank Battalion.

Major General K. L. Berry, Adjutant General of Texas, has said that these Texans "wrote an unsurpassed page in the military annals of our country. The 36th Division was one of our great combat divisions of all times."

This, in brief, is their World War II record:

The 36th had 366 days of combat and fought in Italy, France, Germany and Austria; made two amphibious landings, at Salerno and on the French Riviera; engaged in 16 notable battles; captured 175,086 prisoners, and suffered 27,343 casualties.

The 56th Cavalry Brigade fought in the Pacific and Burma. The 111th Reconnaissance Squadron fought in Africa, Sicily, Italy and France; it flew 3,780 missions. Company "C," 193rd Tank Battalion fought in the European theater.

Since VJ Day, the National Guard has been reorganized and has been enlarged about threefold. When maximum strength is reached, Texas will have 30,110 officers and men trained for battle.

Here is present National Guard strength in Texas:

The 36th Infantry Division, with 12,898 men, has 13 liaison planes, 14 assault boats, five half-tracks, 57 57 mm anti-tank guns, 90 heavy machine guns, 121 light machine guns, 50 105mm guns, 244 .50 caliber machine guns and 1,422 motor vehicles of all types.

The 49th Armored Division, with 8,794 men, has eight liaison planes, 452 half-tracks, 2,816 sub-machine guns, 272 tanks of all types and 1,187 other motor vehicles.

The Texas Air National Guard has a total of 103 planes. It is organized primarily into the 11th Fighter Squadron (replacing the old 111th Observation Squadron), and the 181-st and 182nd Fighter Squadrons. Texas also has numerous non-divisional units, such as artillery, engineers, and cavalry.

To support this fighting force, the Federal Government pours about $9,500,000 into Texas each year. This sum includes $200,000 in equipment, $1,202,000 for salaries of 273 federal employes, $300,000 for replacement, repair, gas and oil, and $8,000,000 estimated yearly payroll of the troops.

Financial contributions by the State of Texas this year were $411,000 for the Adjutant General's Department and $380,000 for the Texas National Guard Armory Board. This is used for the payment of salaries of 136 employees and for reorganization work, maintenance, replacement, rental of armories and many other items.

Texas has only five state-owned armories, including three camps—Mabry, Hulen and Wolters.

Gen. Berry feels that "Texas is far from liberal in the support of its National Guard" but that "in spite of the shortage of funds and buildings, the reorganization has not gone badly."

A permanent armory program, under the Armory Board, has been planned. A commitment from the Reconstruction Finance Corporation of $7,200,000 for armories has been secured, but $30,000,000 is needed. Negotiations are now underway to get such a commitment.

The Texas National Guard now has 139 company-size units which have already received federal recognition, 30 which have been given authorityy to recognize by the War Department and 119 additional units to be organized.

Gen. Berry believes that many cities "do not realize how valuable an asset a National Guard company is." A rifle company at full strength brings about $50,000 into the city; to give the former service man an opportunity to keep his military efficiency alive; it teaches the younger man to be a soldier so that in case of war, he will be better prepared than he would otherwise; it pays him $2.50 or more weekly for his night's drill; and it provides the city with an organized unit which is ready to aid at home or in nearby communities in case of disaster, either in peace or war.

The General has said that the present National Guard force is about three times larger than is needed for the internal security of the states and that the majority of the force is entirely an M-Day Federal force.

Belton Tax Rate Kept At $1.90

BELTON, Sept. 10— A city tax rate of $1.90 per hundred dollar valuation was re-set at the regular meeting of the city commission Tuesday night.

Of this amount 80 cents is retained for local use and $1.10 per hundred dollar valuation goes for retirement of bonded indebtedness.

Printing is a home industry.

PLAN RECRUIT CAMPAIGN TO MEET FIRST QUOTA

By LLOYD ALBERTSON

With the arrival of a large part of its equipment during the past ten days, Battery C, 239th Field Artillery Battalion, local unit of the National Guard, is now ready to increase its training and recruiting program, Captain Rudolph Michalka, Commanding Officer, said today when announcing new developments in the organization.

The equipment received included a 105 mm. howitzer, an amuunition carrier, machine-guns, carbines, pistols, gas masks, radio and field telephone equipment and other items. The Howitzer was on display in the show rooms of the Duncan Motor Co. for several days before being transferred to the battery's motor pool on the grounds of the old grammar school building on West Third Street where its temporary armory is located.

Capt. Michalka also announced that at least three new enlistments are expected to be made in the battery in the next few days.

He pointed out, however, that an additional number of enlistments would be needed to fill the battery's quota when the National Guard's "Operation 88,888" gets under way on Sept. 16, which has been proclaimed National Guard Day by President Truman. "Operation 88,-888" is so called because it is the campaign to enlist 88,888 new Guardsmen throughout the United States in two months—that is, one a minute during that time. The quota for Texas is almost 4,000, and has been placed at 16 for this area.

An all out effort to meet and exceed these quotas will be made, Capt. Michalka said, according to information he has received from Washington. Over 150 movie, stage and radio stars will assist in the recruiting campaign. And a number of prizes will be offered to stimulate enlistments. The most attractive of these will be an all expenses paid trip to Washington for the champion recruiter from each state. The winners will be the guests of the Secretary of War while in the Capital, will be presented to President Truman, and will see the annual Army-Navy football game played in Philadelphia.

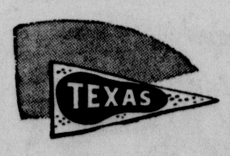
Misses Joy Fontaine and Melma Swift of Cameron, have enrolled in Draughon's Business College at Dallas for General Secretarial Courses.

Mrs. W. W. Culver of Houston spent the past week end in Cameron with her mother, Mrs. M. W. Price, and other relatives and friends.

Go to the games with Humble

Again this year Humble will bring you broadcasts of Southwest Conference football games. See as many as you can, but when you can't go, tune in on one of Humble's vivid broadcasts: *hear Kern Tips, Charlie Jordan, Ves Box, and Bill Michaels describe the country's most exciting football.*

FREE • A 1947 Southwest Conference football schedule is waiting for you at your Humble Station. Handy pocket-book size. *Ask for yours today.*



FREE • Your Southwest Conference school colors for the windshield or windows of your car. Ask for these attractive little pennants at your Humble Station.

TEXAS POWER & LIGHT COMPANY

Personal Mention

The effect of the price impact, labor earnings and number of bales is being felt in business here. Not since 1920 has the effect of cotton been so important to trade.

Mr. and Mrs. L. S. Mayfield and son, Skippy of Natchez, Miss. spent a few days in the home of his parents, Mr. and Mrs. J. C. Mayfield this week.

Marjory Denson was accompanied to Baylor University in Waco Tuesday by her parents, Mr. and Mrs. Joe Denson.

New patients in Newton Memorial Hospital are: Mrs. John Thweatt of Maysfield, surgery, Mrs. J. W. Clark of Cameron, and Billy Woods of Cameron, surgery.

Recent guests in the home of Mr. and Mrs. Joe Ford were their children, Mr. and Mrs. William A. Hartley and little son, Jeffrey of Detroit, Michigan, Mr. and Mrs. Randall S. Sparks of Houston and Miss Marie Ford of Olathe, Kansas. During their visit the group visited in Houston and Galveston.

Mrs. Ida Boggan is visiting her daughter and family, Mrs. J. B. Swift in Beltno a few days this week.

Mrs. Ray Burke has returned to her home after visiting in the homes of Mr. and Mrs. Cecil Plate of Littlefield and Mrs. W. M. Ryan of Lubbock.

Rev. and Mrs. Lee Lemons had as their guests over the week end Mr. and Mrs. G. H. Henderson and Mrs. Hattie Rose of Crockett.

Mrs. W. E. Kuehl visited her mother, Mrs. C. N. Dickens in Marlin Sunday.

Mr. and Mrs. Monroe Clements of San Antonio visited his parents, Mr. and Mrs. Bob Clements of Cameron over the week end.

Dorothy Lemons of Cameron is among the patients in the Newton Memorial Hospital.

Mr. and Mrs. C. C. Martin of Somerville were in Cameron Monday on business.

Mrs. H. C. Hughes was hostess to her son and family, Mr. and Mrs. Wayland Hughes and family of College Station on Sunday. Mrs. Annie Reese joined them for the day.

Mr. and Mrs. Ladis Marek Sr., Ladis Marek Jr. and Mrs. F. A. Marek spent Sunday in Georgetown. Ladis Marek Jr. is entering Southwestern University.

Mr. and Mrs. Adolph Winfield and family spent two days in the home of Mrs. Sophia Winfield in Austin. They attended the Jewish New Years service Monday.

Paul Ray Laake is in Austin registering at the University of Texas. This is Paul Ray's junior year.

Mr. and Mrs. Arthur Boyd of Dallas transacted business in Cameron Monday.

Mr. and Mrs. Nathan McGehee, of Houston, have concluded a few days visit here with her sister and husband, Mr. and Mrs. Joe Denson, and sister, Miss Alice McGehee.

Mr. and Mrs. Frank Jedlecka and Mrs. F. Bartek of Temple spent the week end in the F. A. Marek home.

Mrs. Frank Hertenberger and Mrs. F. E. Jackson Sr. were Marlin visitors last week.

A welcome letter in the mails on Monday from Mr. and Mrs. I. L. Foster. They recently left Cameron to go west but had no definite place in mind. They have bought a service station on the Lubbock and Tahoka highway and are building some tourist courts. Their place is located 17 miles from Tahoka. "If any Cameron folks are passing through, stop and see us."

Mrs. William Henderson of Waco is visiting her daughter and husband Mr. and Mrs. Claude Bradbury. Mrs. Henderson for many years made her home in Cameron, and many friends are pleased to welcome her return visits.

T. B. Burdette of Buckholts was a business visitor in Cameron this week.

Mr. and Mrs. Dwight Price had as out-of-town week end guests, Mr. and Mrs. Pat Pond from West Columbia, Texas, Mr. and Mrs. Marshal Pond of Kingsville, and J. N. Pond and son from Jacksonville, Texas. All are brothers of Mrs. Price. Also their daughter and husband, Mr. and Mrs. Carl Walzel of San Antonio and Mr. and Mrs. Frank Presley and two daughters who are friends from Temple.

Story of Stage Folks Brings New Type Film To Cameron Sunday

From Broadway to Hollywood, and in every tank town in between . . . in night club dressing rooms and in the drafty wings of small-town "opera house" stages—wherever that strange and wonderful breed of people known as "show folk" are valiantly carrying on in the colorful tradition of vaudeville— the happy word is going around that at long last, the first true story of show people has been brought to the screen.

Starring Betty Grable in the title role, with talented Dan Dailey, a sure shot for overnight stardom with his heralded performance in this film, the Twentieth Century-Fox Technicolor picture, "Mother Wore Tights," opens Sunday at the Cameron Theatre. It is a true story, based on the happy, hilarious life of a pair of lovable hoofers, Myrtle and Frank Burt, a real-life vaudeville team whose adventures were chronicled by their daughter, Miriam Young, in the best-selling biography, "Mother Wore Tights."

As such, the picture is being acclaimed as the true, intimate story of the kind of people who made show business like no other business on earth. A warmly human story, it recounts the merry marital adventures of a talented, hard-working dance team (Miss Grable and Dailey) and their fight to combine a successful hoofing career with the raising of two rambunctious children, played by Mona Freeman and Connie Marshall. And while the picture has been geared to set a new pace in motion picture spectacle and melody appeal (the film introduces six new hit songs destined for hit parade fame) it is primarily devoted to unfolding the private dramas and joys of the Burt family.

It is in this change of focus, that "Mother Wore Tights" marks a radical departure from previous films dealing with theatre people. The main emphasis is not on backstage professional jealousies and trials, but goes beyond the stage door into the intimate lives of show people It is when the curtain falls that their private dramas and joys really begin.

Goods and Prices In Spotlight at Haley Store During Sale

Goods and prices combine to make buyer appeal are in the limelight at Haley's Dry Goods Store in Cameron.

Mr. Haley in a full page ad in today's issue of the Daily Herald, lists some important buys on needed items of dry goods and clothing. He finds that The Midget covers a very large field of the consumer market in this area and has been a welcome user of its space.

The current sale is store wide and important as a money saving event in this community.
